*Both the boys and the girls were pleased with their efforts at their respective conference meets. The girls' team placed 7th and the boys' team placed 13th.*

*Top honors were gained by participants on all levels. In the long jump, Senior Annette Kjeldberg finished 4th in conference, 2nd in regionals and performed commendably at the state meet. # Boys X-Country Teams Keep Their Stride

*The tenacity and determination displayed by the individual runners of the boys cross country team helped to make the 1984 season a success. The team finished the season with a 2-3 Conference record and 5-7 overall.*

*The Varsity team, which was made up of several younger runners, lacked the polish of a more experienced team, yet its outstanding spirit helped it to strive for success.*

*Contributing to this goal was senior Ed Maas, who performed exceptionally well throughout the season. In addition to advancing to sectionals and placing 14th in Conference, Maas received the honor of being named M.V.P. Other top runners were Pat Mahoney, John Otis, Al Kjeldbjerg and Jim Pedarek who also contributed to the team effort.*

*Influenced by the Varsity team, the Frosh/Soph team performed exceptionally well. The running Huskies can attest to this by their impressive record of 10-2. Their most exciting meet was the Woodstock Invitational where they captured first.*

*Coach Larry Travis and Assistant Coach Greg Fedyski were pleased with the performances of the two teams and feel that next year will be even more successful due to the return of several top runners.*

*The 1984 Girls' Swim Team demonstrated much enthusiasm and determination during the fall season. The Varsity girls finished the season with a record of 2-3 in the conference and 4-7 overall. The J.V. girls had an undefeated season with an 11-0 record and tied for 1st in the conference.*

*There are certain people on every team who should be recognized for their accomplishments. High scorers on Varsity this year were Freshmen Laura Dunikoski in the distance freestyle events and Senior Michelle Rohloff in the sprints and butterfly. Senior Carolyn DeLatour showed good versatility swimming in a number of different events. Outstanding efforts were also given by Senior Co-Captains Sherry Jordan and Maureen Lynch. Sophomore stand outs included Janet Bogda, Karen Keller, Nadine Kreie, Laurie Madden, Missy Paradise, Andrea Schoenauer, Jenny Wolf and Jeannie Youngwerth. Also doing an exceptional job, representing the Freshmen class, was Niki LaBeau.*

# Huskie Football Spells Success D-E-F-E-N-S-E!

*Consistently outstandng defense was the trademark of the 1984 football squad. Although their record was only 4-5, three of the losses were by less than six points. Under an experienced coaching staff and new member, Mike Mullaney coaching defense, the Huskies managed a third place finish in the MSL North Division.*

*Perhaps the most thrilling victory of the season came in the opener against arch-rival St. Viator. The Huskies' defense held one of the most potent passing attacks in the state to just six points in a stunning 14-6 win. In the ensuing weeks, the Huskies suffered three consecutive defeats. They lost to Maine South 12-7 and Forest View 10-7 in torrential downpours. The Forest View loss came as a result of a controversial ruling in triple overtime. The following week, the Huskies again held their opponents to ten points or less only to suffer defeat at the hands of their first conference adversary, Barrington, by a score of 10-7. Undaunted, the Huskies pulled together to utterly destroy the eventual MSL South Conference champion, Prospect, by the decisive score of 40-13. In that game, running back John Jones tied a school record for the most touchdowns in a single game by scoring four times. Despite the encouraging win over Prospect, the Huskies dropped the Homecoming game to Wheeling by a score of 20-7. The next week the Huskies roared back once again to hand Palatine a satisfying 51-22 defeat in which the previously dormant offense broke a school record for the most total yardage in a single game. They wrapped up a courageous season with a 34-13 loss to Buffalo Grove and a 16-0 triumph over Fremd.*

*All-Conference honors were awarded to running back John Jones and defensive lineman Joe Fasolo and Jim Malyszko. Malyszko was further recognized by being named to the 1984 first team All-Area squad. The season's MVP was John Jones. Jim Gazis was the recipient of the Steven Gates Sportsmanship Award and Joe Fasolo won the Kurt Thyreen Award for Courage.*

# Cheerleaders Show Super Spirit!

*The 1984 Football Cheerleaders showed their qualities throughout the season. Despite heart-breaking losses, the cheerleaders kept that Huskie spirit alive. Even through torential downpours, the cheerleaders back-stroked the crowd to cheer on the cold and wet football team. Mr. R. J. Hannon, who is the co-sponsor of the cheerleaders, commented, "The cheerleaders represented Hersey spirit at its best!" Mr. Hannon shares the responsibilities with co-sponsor Mrs. Bridget Lucas.*

# 1984 Coronation Captures All Eyes

*One of the highlights of the 1984 Homecoming Week was the traditional coronation ceremony. The master and mistress of ceremonies, Jim Esczuk and Linda Dunikoski, did a fine job of announcing the names and activities of every King and Queen candidate. The candidates for Queen were Leanne Brownstein, Jami Drake, Dina Fauceglia, Prisca Kolkowski, Linda Rosinski and Cathy Soyka. The King candidates were Mike Boyan, Dave Ferrero, Jim Gazis, Brian Gregory, Scott Pracko and Mark Williams.*

*Last year's King, Brent Felitto, and Queen, Carolyn Kersemeier, were both present to crown the new King and Queen. Pages Randy Gotham and Kristen Kwezinski made the ceremony an even more special occasion. In addition, class attendants, including freshmen Dan Sabatello and Jenny Anderson, sophomores Jeff Wilcox and Laurie Madden, and juniors Bill Davis and Denise Quarino made the court complete.*

*The actual decision of who would be crowned King and Queen was not easy to determine. All of the candidates were well qualified and showed an extensive amount of school spirit. The announcing of the names, Jim Gazis for King and Prisca Kolkowski for Queen, sent roars of excitement throughout the audience. The gym was filled with joy for both candidates. The candidates parents were present at the ceremony and it was clear to see that all were proud of their children.*

*"On Stage," directed by Mr. Richard Turasky, gave an outstanding performance singing "You," "Something to Sing About," Hersey's Alma Mater and "Morning of My Life." In addition to the "On Stage" performance, the Flags and Pomberets saluted the candidates as they walked by.*

*With the Homecoming theme "California Dreamin'," the stage was appropriately outfitted to promote this theme. Six foot palm trees and a backdrop with a sunset gave everyone that Californian feeling.*

*All in all, this coronation was one of the best ever. Congratulations to Queen Prisca and King Jim.*

# California Dreams Come True!

*Students created their own fun in the sun this year with the Homecoming theme of "California Dreaming." The 1984 Homecoming Week was celebrated from October 9 through October 13.*

*Because Columbus Day was on Monday, Homecoming Week started on Tuesday with the presentation of the Homecoming Court. Besides the court presentation, there were many opportunities for students to get involved. Students had the chance to dress up as their favorite Hollywood character, and during lunch hours, Student Council ran a lemon-peeling and eating contest. This was the first day of the gum ball guess and voting for the sexiest legs and cutest baby face, which continued throughout the week. After school, various clubs decorated the halls with vibrant colors.*

*Students continued their involvement by dressing up as Beverly Hillbillies on Wednesday. Wednesday's fun-filled lunch hour activity was the Jello-Slurping Contest. Homecoming fun wasn't limited to daytime activities. The powderpuff game, won by the Junior Artesians, and Almost Anything Goes were played at night!*

*The theme "California Dreaming" was displayed throughout the halls on Thursday, Tourist Dress-Up Day. Sunshines were distributed in the morning and students had the opportunity to cast their vote for King and Queen during lunch hours.*

*Friday, which was School Color Day, turned out to be a great way to create homecoming spirit. Mums were sold throughout the day by the cheerleaders, and students had the chance to play the Sunkist Chug. The beach scenery created an exciting atmosphere in which Jim Gazis and Prisca Kolkowski were crowned the 1984 King and Queen. This frivolity continued as students, teachers, the band, and Pomberets joined in the parade. Although this was the first Homecoming Parade, it proved a great success and will be a fun tradition for the future. Despite the loss of the football game, students had a memorable Homecoming Week.*

# ''Artesians'' Kick To Victory In Powder-Puff Game

*The festive Homecoming Week reached a new pinnacle during the 1984 Powder-Puff games. In the first match, both of the Junior teams, ''Artesians'' and ''Maulers,'' showed brutal strength and skill as they entered into overtime. Cary Weinberg of the ''Artesians'' scored the goal which captured the victory for her team, 2-1.*

*As the Juniors walked off the field, the Seniors took their rightful positions. The ''Footys'' and ''Senior Snappers'' showed tremendous effort, but Hildi Diefenderfer of the ''Senior Snappers'' scored early in the game to win it for her team, 1-0.*

*The last game brought together the two best teams, ''Artesians'' and ''Senior Snappers.'' Both teams exhibited their mighty power, but the ''Artesians'' rallied to victory with a score of 2-0 and showed all the teams who was Number One! The winning team was led by coaches Jim Shaffer and Chris Jeska.*

*During the Powder-Puff games, the Freshmen and Sophomores held ''Almost Anything Goes.'' # Theater Talent Shines Brightly In Fall Play

# Girls Soccer Adds New Kicks To Hersey

*Along with many other changes in 1984, Hersey's athletic department decided the time had come to form a girls soccer team. The try-outs weren't held until the first week of school; however, once the team was chosen it was immediately off to a spirited season.*

*Coached by Miss Peri Jackson, the girls learned the rules and skills quickly. Since they were a new team they were only permitted to compete officially on a JV level.*

*The captains were Heidi Miller, Debbie Logan, and Cindy Wright. All three captains had previous soccer experience.*

*The girls lost their first game to experienced Hoffman Estates by two points, but doing so they gained the valuable experience needed to end the season with a 5-4-1 record. Their most exciting victory was the last game against the Varsity team from Sacred Heart. The Huskies earned this victory in a shut-out game in the pouring rain.*

*Captian Debbie Logan summed up the season nicely by saying, "We did much better than was expected of us! Because of this, I believe that more girls will go out for the team next year and that will make us even more successful!" The girls soccer team really did a great job this year. Hersey can be proud of them!*

# Hersey Golf Team "Drives" for An Excellent 1984 Season

*The 1984 Hersey Golf Team had a tough but exciting season this year with a record of 9 wins and 5 losses and an average of 164.2 for 9 holes. Their skill was exhibited in the Conference Meet where the Varsity Team placed 4th out of 13 teams. One of their most exciting meets included the Deerfield Regional where the Hersey Golfers shot a 309, the 7th best score in the team's history.*

*Team captain Dan LeClaire was voted M.V.P. for the year and had an impressive 40.5 average. Sumie Abdishi also averaged a 40.5 adding to the team effort. The most improved player for the 1984 golf season was Brian Caponi with a 41.3 average. Caponi and Abdishi both ended their exciting season by qualifying for Sectionals. Unfortunately, Abdishi missed qualifying for State by 4 strokes and Caponi only by 3.*

*Under the coaching of Mr. Al Kintzle, the Hersey Golfers showed great determination and effort throughout the season. The Hersey Golf Team continues to improve its skills each year.*

# 1984 Hersey Volleyball Team - Best Ever!

*The 1984 Varsity Volleyball Team had a successful season and has proven to be very competitive. They had a record of 16-15. It should be taken into consideration that they played three out of the top eight teams in the state and had very tough competition throughout the season. They finished second in the Madison Tournament and third in the Hersey Tournament, which is the best any Hersey team has finished. Also, they were third in the MSL North Division, the highest ranking ever achieved by Hersey.*

*The team was led by captains Peggy Meyer and Natalie Simons and consisted of three other seniors: Sue Fogarty, Nancy Hawes, and Lori Zelek. Among the juniors on the team were Denise and Donna Eichhorn, Jenny Kukula, Krista Peterson, Donna Schoenberger, and Claudia Quidzinski. Coach Betsy Betker considered this team to be one of Hersey's best within the past five years. Two important team members were Natalie Simons, who received the Most Valuable Player award, and Lori Zelek, who made the All-Conference Team and was the first to do so in five years.*

*The Junior Varsity and Freshmen teams did their part to promote good volleyball spirit too. The J.V. team had a record of 5-5 and won the Libertyville Tournament which consisted of eight very good teams. It was considered their toughest tournament. The Freshmen team's record was 3-7. Despite a disappointing season, they did their best to support Hersey volleyball and have much potential.*

*The interest in volleyball continues to grow at Hersey. Next year's team will consist of six returning seniors and is expected to be very strong.*

# Winter Warmed By Huskie Spirit!

***Although the winter of 1984-85 reached sub-zero temperatures, Hersey remained a warm spot for many students. The winter months were filled with many exciting activities. # Extra! Extra! 'The Front Page' Is A Smash!

*The 1985 theatrical production, "The Front Page", written by Chas. Macarthur, and Ben Hecht was performed on February 14, 15, and 16 in the Hersey theatre. This fast moving comedy about newspaper reporters was well received by audiences of all ages.*

*Due to the hard work and determination of the twenty-four member cast, the play was a success. The demanding role of Hildy Johnson, a reporter, was portrayed by both John Pierson and Bruce Janu. Heather Graff played Hildy's girlfriend Peggy Grant, with Nora Herold as her mother, Emelia Grant. Other principal members of the cast were Paul Black as Walter Burns, Mike Desens as Earl Williams, and Jill Erikson and Cathy Wozniak who were double-casted in the role of Mollie Malloy.*

# Santa, Song And Dance Kick Off Winter Vacation

***The anticipation of Christmas vacation was heightened by Hersey's annual Christmas Assembly held in the gymnasium on December 21. It was a great time for holiday cheer and outstanding entertainment. Those who performed at the assembly were the Pomberets, Orchesis, Winter Guard, Choir, A.F.S., Student Council, and the faculty.***

***Amongst all the glitter and garland, the Pomberets and Winter Guard each performed to holiday music, followed by a routine to "Sleigh Ride" by Orchesis. A.F.S. students explained what a typical Christmas is like in their country, and Mr. O'Driscoll surprised all by showing up as Santa Claus. Christmas candies were thrown into the stands by energetic Student Council members and the choir finished off the excitement with the "Hallelujah Chorus" in which the faculty and students joyously participated. All in all, Hersey students showed how to kick off Christmas vacation to a good start.***

# "Some Guys Have All The Luck" At Turnabout '85

*The 1985 Turnabout Dance, held on Saturday, March 2, was a swinging time for all those who attended. This year, instead of a band, everyone rocked to the latest hits played by a professional disc jockey. This year's theme was "Some Guys Have all the Luck."*

*The dance lasted from 8:00 to 11:00 p.m. in the cafeteria, which was decorated for the occasion. Later in the evening the Turnabout Court was announced, and Park Netherton was crowned "Mr. Irresistable." The rest of the court included Mike Bricker, Jim Esczuk, Joe Fasolo and Kenny Hansen.*

# Wrestlers Shine Despite Losses On Mat

*Often times, regardless of how much determination and talent a team possesses, victories come few and far between. Unfortunately, the 1984-85 wrestling Huskies were the reluctant prototypes of this phenomenon. Although their 3-15 season record and 13th place finish at conference doesn't stand as a blatant mark of high achievement, the character they built and the experience the younger team members acquired was in itself a rewarding accomplishment on its own level.*

*Throughout the season, captains Scott Coughlin, Jeff Greaves, and Jim Spapperi, under the meticulous guidance of their mentors, Rick Mann, Jack Cutlip, Fred Kush and Bill Lancaster, exerted the positive influence which was instrumental in the development of the team's abundant underclass talent. Together, they fused the nucleus of a future varsity which Coach Mann speculates will succeed at reaping the fruits of its labour.*

*Despite severe setbacks to the team due to plaguing injuries, some team members managed to provide some commendable individual performances. For instance, at the conference meet, Jeff Greaves placed 5th place in 138 pound division while teammates Dave Wagner (185 lbs.) and Jeff Dippong (105 lbs.) earned 6th place in their respective divisions.*

*The team's sheer spirit and inner fortitude enabled these fine individuals to attain a higher level of maturity and self-worth. Overall, these young men were the ultimate victors in an aspect of competitive athletics that reaches beyond mere numbers.*

# J.H. Cheerleaders Inspire Matmen!

*The 1984-85 wrestling cheerleaders did an outstanding job this season. After devoting many hours to practice, the cheerleaders were able to fire up and inspire the wrestlers and the fans.*

*Every varsity member received royal treatment before each meet. The Huskie girls showed their spirit by preparing shoe boxes with munchies and by decorating the wrestlers' lockers and the gym. On very important meets they put their efforts into "T.P.-ing" houses and hanging up signs.*

*The wrestling cheerleaders did a sensational job. They demonstrated great cooperation in getting a tough job done well. This year's varsity captain, who had great leadership, was Debbie Logan. Practices were two nights a week and held for two hours. During this time the girls learned new cheers and mounts.*

# Gymnasts Battle Through A Tough Season

*The 1984-85 Girls' Gymnastics season, although successful, was filled with many unexpected happenings. The Varsity team, led by Captains Dina Fauceglia and Terry Schaefges, earned a record of 3 and 2 and placed 3rd in the Conference. They also won the Regional title and placed 3rd in Sectionals. Although they exhibited fine performances, the team as a whole was just short of making it to the State Meet. However, Dina Fauceglia and Kathy Foerster qualified as individual competitors. Dina Fauceglia qualified in the all-around and Kathy Foerster competed in the floor exercise.*

*Numerous injuries held back the performance of several gymnasts, including both Colleen and Georgette Podlin. Despite these injuries, the gymnasts maintained a positive attitude.*

*Both the J.V. and the Freshmen teams had successful seasons. The J.V. team placed 3rd in their Conference and the Freshmen team placed 2nd. This shows excellent potential for future Hersey Gymnastics teams.*

# Huskies Reach Elite Eight Of Illinois

*After a mediocre season played by the 1983-84 dribbling Huskies the Hersey BB-fans attended the initial games of the 84-85 season with a shaky confidence. However, under the golden touch of the coaching staff, George Zigman and Don Rowley, the 84-85 Huskies were able to ignite the enthusiasm by ending a record setting season with a record of 22-7 and placing in the "Elite Eight of Illinois"!!*

*After losing 5 of the first 12 games the team set their minds on victory and became unstoppable, winning 15 of their final 16 games. The road to Champaign began in Hersey's gym as the Huskies recaptured the Regional title for the second consecutive year, defeating Glenbrook South and Notre Dame. The Huskies then advanced to the Sectionals, hoping to avenge last year's upset. After severely trouncing Elk Grove in the opening game at Forest View they proceeded to shatter the expectant dreams of the Prospect Knights by capturing the Sectional Championship, 54-52.*

*The winning streak continued at full pace as they were pitted against Carmel in the Super-Sectional at Northwestern and emerged victors in a 71-48 upset, rocketing the Huskies into the "Elite Eight of Illinois." Not only did this phenomenal game pave the road to the U of I, but also awarded Head Coach George Zigman his 500th victory. In the opening game of the State Tournament the Huskies suffered a disappointing loss to the eventual state champs, Mt. Carmel, but the sea of orange proudly presented in the stands at Assembly Hall proved to the team they were still # 1 to Hersey. The 1984-85 squad will go down in Hersey's record book as the team with the most wins and also only the second team in the history of Hersey to go down state.*

*This year's captains were seniors Brian Gregory and Rick Hall. Brian Gregory proved himself a team leader by breaking the seasonal and career assist records. He also brought honor to Hersey by being chosen as an All-Conference, All-Area, and Honorable Mention All-State player. Added to Brian's many accomplishments were the Jim Thomas Sportsmanship and Most Valuable Player awards. Rick Hall maintained a dominant position on the team as highest scorer and leading rebounder. Rick was also chosen as an All-Conference player. Next year's team will also miss the experience and abilities of seniors Scott Practo, Steve Messer, Mike Bricker and Joe Leonardo and the starting seniors John Kelly, Mike Bishoff and Mike Boyan.*

*However, next year's team will have the experience of returning lettermen, Jeff Peistrup, Rob Koziol and Bill Markham. Hopefully this year's exceptional team has started a winning tradition for the future. Coach Don Rowley summed up the season by commenting, "Last year we were the Cinderella team, but this year we went to the ball!!!!!!!!!!"*

*The 1984-85 basketball cheerleading squads showed their Huski spirit and carried on the Huskie reputation of excellence throughout the season. The cheerleaders on all three levels fired-up the fans as well as the team during the games.*

*To have a good cheerleading squad, practice is a necessity. Strenuous practices were held throught the season. For two hours, one night a week, the Varsity coed squad mastered new tricks and mounts to "show off" to the fans. The Varsity squad is distinctive in that it is the only coed squad in the state.*

# 1985 Lady Huskies Strive For Perfection

*The 1984-85 Girls' Basketball season was a definite success, with an overall record of 13-12. Included in this record were the championships of the Niles North Invite and the Mid-Suburban League North Division. When asked about the exhilarating season, Coach Penstone commented, "It was a miracle! These girls went from last place to first place in only a year's worth of hard work." The Huskies prepared for the arduous season by participating in summer school and summer leagues.*

*The Lady Huskies had three dominant All-Conference players. These players included Ann Puetz, Bonnie Siemson and Lori Zelek, with Ann Puetz and Lori Zelek being the leading scorers throughout the season.*

*These fine athletes, led by captain Natalie Simons, worked very hard to accomplish their goals and, by believing in themselves, were able to overcome the odds. They learned two key techniques for playing better basketball; to work together and to "play smart." The girls' basketball team showed excellent floor leadership and gained the maturity needed to work as a team. Although they were small in size, Coach Penstone added, "This was the fastest team we've had in years."*

# Rebuilding Year For Swimming

*The 1984-85 Varsity Swim Team started off the season by setting new goals for the year to come. The Huskies fell short of their goals, yet each member showed vitality and determination.*

*Led by captains Todd Hill and Jeff Wilcox, the team ended the season with a conference record of 1-4 and an overall record of 3-8. The Most Valuable Swimmer Award went to Matt Rohloff, while the Most Improved went to Jeff Wilcox. Rohloff set two individual records in the fifty and hundred yard freestyles.*

*The season was a rebuilding year for the Huskie Team made up of one senior and eight underclassmen. The strength of the Huskie team was in divers Joe Nejman and Jeff Wilcox.*

*The most exciting meets came down to the final relays. One meet was against Buffalo Grove in which the Huskies lost and the other was against Wheeling in which the Huskies were triumphant.*

*Coach Anderson gives this year's team much praise, yet he looks forward to the upcoming year in which he'll have more experienced swimmers.*

# Bowlers Show Great Potential

*This year the Hersey bowlers were all Freshmen, Sophomores and Juniors; the Seniors missed out on all of the fun!*

*The team's record was 1-11-1 for the year, but at the same time the team had many accomplishments that aren't always given recognition. As the season progressed, the team increased its average by over 100 pins! This added improvement gave them the confidence they needed to achieve a 9th place finish in the M.S.L.*

*Besides the achievements made by the team as a whole, one member, Sophomore Darci Marchini, qualified to participate in the state meet as an "at large" contestant. She added to the pride of Hersey High School by placing 31st out of 47! This was a tremendous accomplishment in itself, but what made it even more rewarding was the fact that she was only the 2nd bowler that Hersey has ever sent to the State Tournament!*

*Coach Myers explained, "The prospects for next year are excellent! There are no Seniors lost to graduation!" With all of the improvements made so far, and by having the entire team return for next year, 1986 may be the year for the Hersey Huskies' bowling team!*

*by Cindy Wright*

*Julie Mann gazes into her crystal bowling ball.*

# 'Endeavor' Staff Preserves Hersey Huskie Memories!

*The 1984-85 Yearbook Staff "Endeavored" to make this the best yearbook ever. The twenty-nine students, led by Editor-in-Chief Julie Schwab, dedicated many long hours toward putting this yearbook together.*

*The Yearbook Staff is composed of senior students enrolled in Publications I and II. While in this class students learn publication techniques, journalism responsibility, and terms needed to make the yearbook outstanding. They learn to write stories, design layouts, make-up captions, and choose and crop pictures. Each staff member received five to six pages in the yearbook to perfect these techniques.*

*Helping Editor-inChief Julie Schwab were the following section editors: Janet Sommers, Academics Editor; Hildi Diefenderfer, Activities Editor; Jim Esczuk, Boys Sports Editor; Deanne Roberts, Classes Editor; Sherry Jordan, Clubs and Teams Editor; Cindy Wright, Girls Sports Editor; Nancy Moravick, Index Editor; Denise Liberti, Photo Editor; and Prisca Kolkowski, Senior Directory Editor.*

*Special thanks go to Prisca Kolkowski and Nancy Moravick for designing the theme for this book and to Jim Esczuk for his cover design.*

*This year's* Endeavor *could not have been possible without the help and support of Mr. Kozanecki, an eleven year veteran of yearbook publications. He guided the students in many ways to make this 1985 yearbook a success. We thank him for his help and support throughout the entire year.*

*One of the most valuable contributors to the yearbooks success was Head photographer Ken Goldman. He put in much time and effort to make sure the staff had many needed pictures. He was assisted by Missy Riccardi, Jenny Rodgers and Lee Caruso.*

*All in all, this yearbook turned out successfully. Mr. Kozanecki remarked that this was his best yearbook class ever. The class worked well together and everyone contributed towards the 1985* Endeavor.

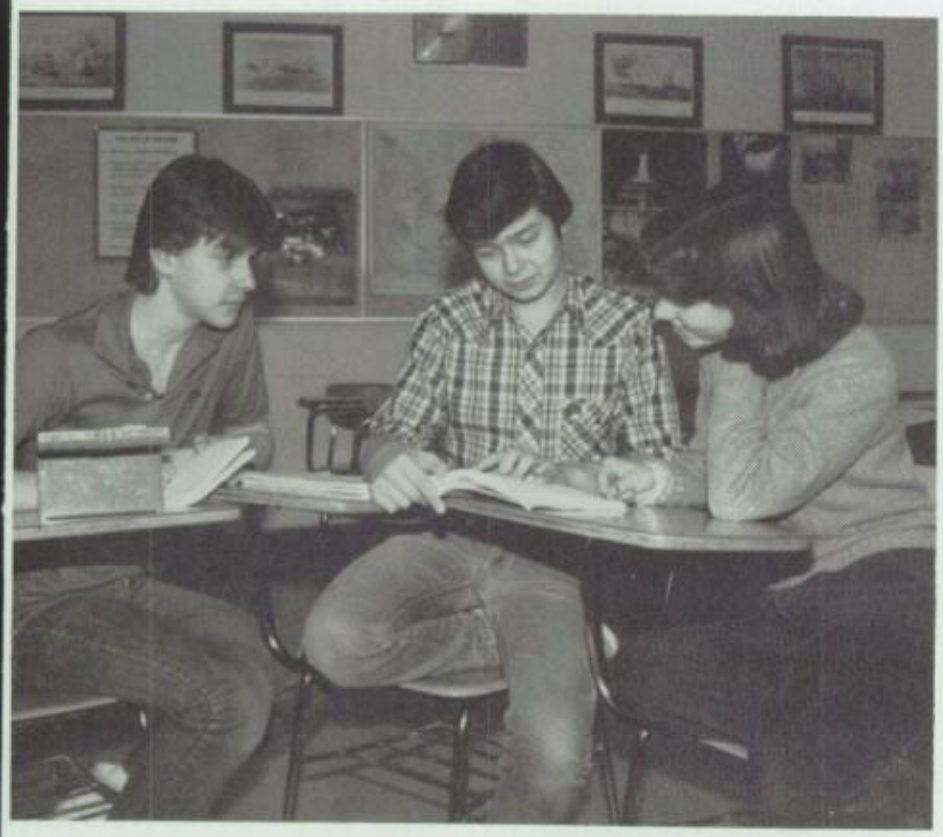
# Debate Finds The Evidence!



Debate Team members search for the evidence.

There are other ways to settle debates.

*The purpose of the Debate Team at Hersey High School is to give students an opportunity to develop skills in critical thinking, organization and public speaking. Also, the Debate Team looks for students who are interested in current events, competition and who wish to improve their communication skills.*

*The Debate Team attends approximately twelve to fifteen competitions a year. These include the Illinois Speech and Theater Association State Debate Series and the Illinois High School State Debate Tournament.*

*There were approximately sixteen members on the team this year which was sponsored by Coach McSherry and assisted by Mr. Berry and Mr. Given. The 1984-85 Debate Team, as in the past, consisted of three separate classifications: Novice, more or less for the beginning debater, Junior Varsity, for those with some, but limited experience who wish to improve their skills; and Varsity, for those debaters with the most experience.*

*This year's topic focused on the role the Federal Government should play in providing job opportunities for the poor. The top debaters on this subject this year were Chris Bertelsen, John Bryson, Frank Cesario and Mike Fell.*

*The Debate Team won forty speaker and team awards proving that this year's team was definitely a success.*

# Hersey Pombies Razzle-Dazzle The Crowd

*The 1984-85 Pomberets succeeded in having another year of crowd-pleasing performances. The Pomberets began their year with the football season, marching halftime with the band. They dazzled their audiences during halftime with colorful ribbons and pom-pons.*

*During basketball season, the thirty-five Pomberets split into two squads, Varsity with eighteen girls and J.V. with eventeen. Although they were divided into two squads, they performed together during the basketball season. In addition, Varsity and J.V. worked together to perform a spectacular routine at the Christmas Assembly.*

*Sporting new and flashy uniforms, captains Laura Frost and Lise Lombardo, led the Varsity "Pombies" to a first place trophy at the Downers Grove Competition for their eight-minute routine. Because of their great success, they were able to compete in the State Competition. The J.V. captains, Jill Herold and Julie Olsen, led the Junior Varsity squad in a four-minute prop routine and received a first place trophy at the Mundelein Competition.*

*Once again, Mrs. Judy Hastert sponsored the "Pombies" helping, guiding, and supporting them throughout the year. All in all, the Pomberets had an outstanding and successful 1984-85 year and continue to look forward to pleasing next year's crowd.*

# Hersey Kisses "Rockit" To The Top!

*The newly-named 84-85 Hersey Colorguard, the Hersey Kisses, worked hard to continue their winning tradition of excellence. Mr. Kozanecki was the new sponsor with Karen Clow, Sharon Johnson, and Deanne Roberts as captains.*

*At summer camp, the Varsity and JV squads each won grand champion in their divisions. They learned many skills that helped them throughout the year.*

*In the fall, the Colorguard united with the band and Pomberets to perform pregame and halftime field shows.*

*In the winter season, they fancied their audience with their most spectacular show of different styles of American music. They went from show tunes to hoe tunes; from "punky" beats to "funky" beats. The Varsity squad was very active in Illinois Drill Team Competitions, taking a first place at Palatine and second places at Downers Grove and Mundelein. The squad put a lot of time and effort in practices to take a fourth place ranking in State Competition. The JV also had a great season, taking a first place at Mundelein with the help of their captains, Kim Muehal and Deanna Rojas.*

*Along with new sponsorship and reorganization came a new spirit to the Kisses. Flags not only became very challenging, but also a lot of fun.*

# Time To Strike Up The Band!

*The 1984-85 band had the opportunity to participate in many exciting activities throughout the year. They started out with weekly performances at home football games, which lead them into performing in a number of competitions this year.*

*Performing at the University of Illinois was one of the highlights of the season. Mr. Michael Embry, a former NIU band director, and instructor Mr. Brandenburg routed the show for the band.*

*The drum Majors, Senior Scott Pracko and Juniors Todd Hill and Katie Sweeney, devoted a great deal of time and effort to the marching season. The feature twirler, Sherry Jordan, also brought a touch of class to the field show.*

*The band members also worked well individually. Scott Pracko, Mike McAvoy, Krista MacCarthur and Clive James won a national honor which enabled them to participate in the District 214 Music Festival.*

*Of course this year would not have been complete, without the annual Pops Concert. This year's performance was given by Mr. Louis Bellson, the well known musical artist, who was featured with Concert Band, Jazz Band, and the Symphonic Winds.*

# The Choirs Sing The Year Away!

*This year's choirs, which were under the direction of Mr. Richard Turasky, never stopped working for bigger and better goals. Great leadership was displayed throughout the year by officers Nancy Knaack, Denise Liberti, Bob Kmet, Angela Gupta, Chris Nudo, and President Amy Tullar. The accompanists were Jude Navari, Michelle Kim and Susie Park.*

*Throughout the year, the choir holds three concerts for the public. The Fall Concert featured all choirs: Freshmen, Sophomore, and Concert Choir. The swing choir, ''On Stage'', also performed. During the holiday season, the choir performed in the annual Christmas Concert. The highlight of the concert was the finale in which all choirs, parents, faculty and alumni joined in for the singing of the ''Hallelujah Chorus'' accompanied by the band and orchestra. The final concert of the year was the Spring Concert. All different selections of music were performed and awards were given to the most outstanding performers.*

*This year twenty-eight students were selected for the District Seven Chorus and four students qualified for the All-State Choir. These students include Paul Black, Sue Kersemeier, Jenny Thadoni and Amy Tullar. This is the highest honor a choir member can receive.*

*Again this year, Concert Choir took part in the District 214 Choral Festival. This year it was held at Forest View and involved Buffalo Grove, Wheeling, Prospect, Rolling Meadows and Hersey High Schools.*

*Many thanks go to Mr. Turasky. His commitment and support are appreciated. The time and effort spent in choir pays off in the end because of the worthwhile experiences and honors bestowed on choir members.*

# On Stage Swings To Success

*This year's On Stage group consists of twenty-one students under the direction of Mr. Turasky. On Stage uses complete dedication to produce a combination of singing and dancing.*

*Choreographer Camille Baranchik prepared the group for the upcoming year with rehearsals in late August and throughout the school year. The students found themselves privileged to have Mrs. Baranchik as their choreographer due to all of her given hours and personal effort.*

Amy Tullar and Donna Besier perform on strings.

***The John Hersey Orchestra, conducted by Mr. Baar, has become increasingly larger each year. This year's Orchestra had fifty-two students involved, which is the highest ever. Next year's prediction is for an even larger group due to its increasing popularity.***

***Everyday the students meet fourth hour to practice hard for various concerts and contests. This year's Orchestra addended a clinic at the University of Illinois where they performed in front of judges. This was a valuable experience for those who attended because the judges criticized their performances and helped them improve. The biggest performance of the year was the Pop and Pretzel Concert, which was set in a cafe atmosphere. This year's Orchestra found that hard work and practice really contributed to its success.***

# '84-'85 Orchesis Puts ''Thoughts In Motion''

*The 1984-85 Orchesis Club dazzled audiences throughout the year. Whether performing at football games, basketball games, special assemblies and performances or at the grand finale presentation, ''Thoughts in Motion'', they never failed to delight their audiences.*

*Led by dance instructor Sue Couve, the girls practiced many long, hard hours. This devotion and desire to achieve excellence was instrumental in their accomplishment of yet another monumental season.*

*The tryouts were held in the spring of the previous year and the top 30 dancers were chosen. Among these elite, six were chosen as officers. This year the officers were President Dawn Meyer, Vice-President Lori Scacco, Secretary Judy Parras, Historian Nancy Chase, Treasurer Barb Horstman, and Costume Coordinators Linda Dunikoski and Julie Halverson. The girls performed a variety of dance styles, from modern to jazz to ballet.*

*The 1984-85 Orchesis season was a lot of fun and a lot of hard work. As stated by graduating senior, Prisca Kolkowski, ''The time spent together creates many special friendships. We all work together so that we can support each other and perform the best we can.''*

# Winter Ball Adds "Pizazz" To 1984-85 Junior I.A.D.

*The 1984-85 Junior I.A.D., otherwise known as the Junior Illinois Association for the Deaf, displayed great Hersey spirit throughout the year. Besides taking part in Junior I.A.D., many members were also involved in several other school activities.*

*One of the highlights of the year for the Junior I.A.D. was their annual Winter Ball. They displayed their fancy footwork at the Arlington Hilton Hotel on December 22, 1984 from 7:00 p.m. to 12:00 p.m.*

*In addition to the Winter Ball, Junior I.A.D. organized many other fun-filled activities. These activities included a Halloween Party, a ski trip in February, a volleyball tournament in March, and a camping trip in May. Many of these activities were financed by fundraisers.*

*Under the sponsorship of Diana Thorpe, the club officers possessed great enthusiasm in organizing the events for the year. Among the officers were President Abby Roin, Vice President Denise Kavin, Treasurer Wendy Gadda, Secretary Heidi Bouwer, Assistant Secretary Lena Sanchis, Social Chairperson Lori Murray, and Photographer David Prince. ## 1984-85

# Student Council Grows Stronger

*Student Council is one of the largest organizations at Hersey. It plans various activities throughout the year. Among the many functions that Student Council sponsored were Homecoming festivities, Valentine grams, Turkey of the Class and, for the election year, a mock election.*

*Student Council consists of fifteen representatives elected from each class with four class officers. All the representatives and officers combined to make the "Big" student council with four executive board members. This year's executive board members were President Lee Brownstein, Vice President Linda Rosinski, Recording Secretary Cathy Soyka, and Corresponding Secretary Treasurers Bill Davis and Jeff Wilcox. These officers ran the weekly meetings and represented Hersey at different school functions.*

*The Student Council is fortunate this year to have as a member, the Northeast district President, Michelle Ristich. Michelle is President for 140 schools in the Northeastern part of Illinois. Her experience as an active member in Hersey's Student Council, plus her participation in different district, state and national activities and workshop helped her to be elected President. The Student Council and district is very proud of the work and dedication she gave during the year.*

*Student Council is under the direction of a new sponsor, Mr. Robert J. Hannon. With all the changes Hersey underwent in 1984-85 it was good for the student council to have a sponsor with new ideas and a fresh view. Mr. Hannon's interest truly helped Student Council grow stronger.*

*Hersey's Student Council went through many changes but proved successful during the year. The credit goes to the energentic Student Council members, the sincere dedication of Mr. Hannon, President Lee Brownstein and the rest of the executive board members plus the participation of the faculty and the student body.*

# Hersey Students Put Service Over Self

*Service Over Self is a special club whose main purpose is to help others. Mr. Kozlowski is the sponsor, and the President is Susie Gotham. The officers included Vice Presidents Dave Ferrero, Ken Goldman, and Mary Pappas;Secretary Chrissy Juretzko; and Treasurer, Cary Weinberg.*

*Active students may get involved in many activities throughout the year. Some of the club's major activities included the Handicapped Fun Olympics, Kiwanis Peanut Day, an entertaining Las Vegas Day for senior citizens, a Senior Citizen Clean-Up Day, a Thanksgiving Food Drive, and a Christmas Toy Drive.*

*Many students work regularly as volunteers. They earn credits in the Social Science Practicum by working a set amount of hours at a hospital or by helping out as aides at local schools for the handicapped.*

*Presently, approximately 340 students participate in S.O.S., making it one of the most popular clubs in the school. Students enjoy the satisfaction they get by helping others. They always get so much more out of it than they could ever hope to give.*

## SERVICE OVER SELF CLUB

# AFS Brings New Foreign Friends To Hersey

***Over the years, AFS club has brought to Hersey new and exciting foreign students from all over the world. This reach out has been occurring since 1968.***

***This year five AFS students attended Hersey: Steve Govoni came over from Italy, Ellen Solberg from Norway, Lucinda MacGill from Australia, Inga Schultz from West Germany, and Jackie Lindermen from Switzerland. They all seemed to enjoy their stay in America and fit in perfectly with the Hersey students.***

***AFS also sends students from Hersey to different countries. In the summer of '84 Laura Chielewski lived in Argentina, Laura Sherman in Switzerland, Nancy Malinasky in Australia, Nicole Pelland in France, and Cathy Soyka in West Germany. They all experienced a summer they will probably never forget.***

# Drama Club's Third Year Is A Success!

*This year Drama Club proved to be a vital asset to Hersey Theater. Drama Club, lead by Laura Sherman, helped by providing refreshments and handling publicity for the shows.*

*One of Drama Club's major accomplishments was the two One-Act plays which were held on December 12. Also, because of the success of last year's Phase 2 dance, Drama Club once again sponsored a District 214 dance which was held on April 26.*

*Drama Club could not have set and accomplished these goals if it were not for the help of its sponsors Mr. Bruce Drouin and Mr. Edward Moon. Mr. Charles Venegoni also helped greatly by devoting his time to publicity. The officers of Drama Club, Laura Sherman, President; Dede Reznick, Vice-President; Jim Cella, Treasurer; and Heather Graff, Secretary; put in much energy to make this a very special year for all those who participated in this club.*

# NHS Honors Students

National Honor Society Officers, Scott Pracko, Dean Ahuja, Julie Schwab, Cathy Soyka.

Barb Olejniczak, and Jenny Thadani listens to the wisdom of Mr. Brown.

*The purpose of the National Honor Society is to honor students for scholorship and leadership. To become a member of the National Honor Society a student must achieve and maintain a 4.5 or better grade point average by the end of the sophomore year. Students eligible for National Honor Society must complete 4 out of the 6 service projects offered throughout the year.*

*This year, the National Honor Society service projects included the annual Blood Drive, visiting old folk's homes, visiting hospitals, old clothes drive, freshmen orientation tour guides, and a charity fund raiser. In May an appreciation banquet was held for installation of new members and recognition of old members.*

*National Honor Society meetings were held the first Tuesday of every month after school. This year the coofficers were Cathy Soyka, Scott Praco, Julie Schwab, and Dean Ahuja. A successful year would not have been possible if it were not for the sponsorship of Mr. Haskel Brown and Mr. John Boehm. It is a great honor to be a member of the National Honor Society. All students should strive for membership.*

# Colorado Sparks Ski Season

***Despite the unbearably cold weather, many Hersey students enjoyed an exciting ski season. The Ski Club met from November to March and was open to all students and teachers. This year, Mr. Moon sponsored nine trips, including a fun-filled week to Winter Park, Colorado. The club consisted of 150 members and as many as 48 people were able to participate in each trip.***

# S.A.D.D. Fights Drunk Driving

***The 1984-85 S.A.D.D. chapter has definitely developed into a very influential organization. S.A.D.D. (Students Against Driving Drunk) emphasizes the letter "S".***

***Drinking is a serious social problem, and many drunk driving incidents involve teenagers. S.A.D.D.'s number one goal is to make the students of John Hersey High School aware of the seriousness of drinking and driving.***

***The activities that S.A.D.D. sponsored this year were a great success. For instance, during Homecoming, the club had a wrecked car in front of the school representing Hersey's S.A.D.D. program. In the month of February representatives attended a TPC meeting and discussed the drinking and driving issue with Hersey parents.***

***The S.A.D.D. members are often invited to speak at non-school events. The officers of S.A.D.D. were invited to a Dean's luncheon and the response was overwhelming. Students have also spoken to the parents of Sacred Heart, and to the Prospect Heights Lions Club. In addition S.A.D.D. members have made several presentations in other high schools outside of District 214.***

***The S.A.D.D. chapter at Hersey had six officers who showed great leadership. They included Hildi Diefenderfer, Michelle Ristich, Cathy Soyka, Ann Alfirevic, David J. Ferrero, and Mike Daily. The club is sponsored by Mr. Harvey Foster and Ms. Carol Rothgeb.***

# Tech. Crew- Backbone Of Drama Year

***The unseen heroes of the 1984-85 drama program at Hersey High School were the members of the Tech. Crew. They worked six to eight weeks before each play. The work they did rarely received the deserved notice; however, they put in as much time as the actors. These students set all of the lights and sound systems. They were also responsible for painting the sets and for all props being moved on and off stage.***

Deaf Education plays an important part at Hersey.

*Forty students make up what Mrs. Louise Wilson calls one of the best Deaf Education programs in the nation. Mrs. Wilson, the supervisor of Hersey's Deaf Education Department, feels that most of the credit belongs to the students, faculty, and administration of the entire school. Without their support, the program would not be as successful as it is.*

*In addition to the thirteen faculty members, there are eleven freshmen, six sophomores, eight juniors, and fifteen seniors. Many of these students actively participate in orchesis, football, track, wrestling, baseball, and help put together the school's newspaper. Every year, they take part in a state wide volleyball tournament for deaf high school students and last year they became the State Champions.*

*There are many different staff positions in the department. There are three interpretors, one counselor and nine teachers - giving the school a ratio of one teacher to every four students.*

*About ninety percent of the students go on to college, Jr. college, trade school or other post high school programs. This is an outstanding percentage for a single high school. According to Mrs. Wilson, "Everybody does a lot of work to get the kids to go on to somewhere else to extend their education." Hersey's Deaf Education Programs are something this school can really take pride in.*

# English/Fine Arts Provides Classical Course Of Studies

*The English/Fine Arts Division at John Hersey High School offers many opportunities to the students. This division is chaired by Mr. Doug Larsen and consists of twenty teachers. Art, drama, journalism, music, and speech are all well-developed programs which are available to interested students.*

*With the addition of several new staff members, there is renewed enthusiasm and an atmosphere of cooperation. This is evident in the goals all the teachers have set for themselves and their students. They are trying to give more recognition to students by encouraging more writing opportunities. The strengthening of the vocabulary skills of students is another goal.*

*If, after four years at Hersey, a student takes advantage of the wide range of offerings in the E.F.A. Division, he will have experienced a thorough academic program. Such a program is a good preparation for the student whether he is going on to college or into the working world.*

# Math/Science Division Has New Start

*The Math/Science Division is part of each Hersey student's curriculum. Each student has a two year requirement in science and a one year requirement in math. However, many students choose to enroll in additional math/science classes.*

*This year, the Math/Science Division is headed by Mr. Norm Horler, who is in his first year as division head at Hersey. There are thirty-one staff members on his staff. They teach a variety of classes from required classes, such as biology, to the electives, such as calculus and human physiology. Eleven teachers are new to the division.*

# Soc. Science/For. Lang. Deals With Human Behavior And Culture

*One of the most popular departments at Hersey is that of Social Science and Foreign Language. A great deal of students enjoy getting involved in this highly beneficial program. The department is headed by Mr. Schmidt and includes courses in the area of history, sociology, psychology, economics, and foreign language.*

*The majority of students take a foreign language class which teaches them not only how to speak the language but also the cultural aspects of the country. Spanish is the most popular foreign language class. Other courses offered are German and French.*

*History courses teach students about the past and current events. World History, U.S. History, and Current History are examples of the courses offered.*

*The social science classes prove to be extremely popular with students. Sociology and psychology help students learn more about people and the understanding of that society. Marriage and Family is one of the interesting and unique courses for seniors, teaching the students about the trials and tribulations of married life. A new course offered this year is "Our Changing World". It is an introduction to the social sciences and touches on many subjects.*

*This department proves to be extremely beneficial for college-bound students. For the most part, students who are involved in this department learn a great deal about themselves and the rest of the world.*

# Practical Arts Prepares Students For Futures

*The Practical Arts Division at John Hersey consists of four departments: Business Education, Cooperative Education, Home Economics, and Industrial Arts. This department is headed by Mr. John Hangey and seventeen well qualified teachers. Students have the opportunity to select many courses. These classes enable them to determine their future livelihood.*

*Like all other divisions in the school, there were some personnel changes made at the beginning of this year. The Practical Arts Division was fortunate enough to acquire three teachers from Arlington High School: Mrs. Comandella, Mr. Cutlip, and Mr. Thompson.*

*There are many outstanding programs in this division. One of the newer programs is the Pre-School Practicum class which is run by Miss Betker. Students work with pre-schoolers on a one-to-one basis working in areas of socialization and schoolreadiness. Class is in session four days a week with one day for lesson planning.*

# Emphasis On Physical Fitness In Hersey's P.E.

*Physical Education has made many changes this year. One change is the many new additions to the staff. The returning staff is glad to welcome Mike Mullany, Division Head; Thomas Chapman, Thomas Pitchford and Michael Shay.*

*This year the P.E. program revolves around improving physical fitness. The program has three goals. It is designed to achieve physical fitness, to stay fit, and to gain the knowledge to appreciate fitness. All activities involved in the program are designed to be fun but also improve coordination. Such activities include volleyball, tennis, football and weight training.*

*Also included in the program is the physical fitness test which is repeated many times throughout the year. The students are tested on sit and reach for flexibility, sit-ups, and the mile run. Next, each student is weighed and given his percentage of body fat.*

*All in all, the program has proved to be successful. The P.E. department has achieved fun and fitness for everyone.*

# Library/A.V. Divs. Assists Students Academic Success

*The A.V. department and library contribute greatly to the academic success of Hersey students. Each is unique and serves each student in a special way.*

*Numerous classes go to the library throughout the day. The quiet room and resource areas provide a wide variety of information for history, English, and acting classes. The library, being the quietest place in the school, is also the most important resource center available to Hersey students.*

*The helpful library staff consists of Mr. Olenik, Head Librarian; Mrs. Rothermel, Assistant Librarian; and the library aids are Mrs. Wood and Mrs. Nordli. These people keep the library running consistently smooth and accurate, with up-to-date materials for all to use.*

*The audio visual department is run by Mr. Ken Felgenhour. He is the director of all media services. His fulltime assistant is Mrs. Bondzinski. The audio visual department supplies various types of equipment, films video tapes, etc. This department is essential to the learning process at Hersey.*

SENIORS

# 1985

***Dear Hersey,***

***Throughout these four years, you have been much more than a school; you have been a source of friendship, pride, knowledge, and so much more than we could ever express.***

***We came to this school filled with apprehension and excitement, and we now leave with these same feelings and some new ones that have prepared us for the future. We have found friendships in these four years that seem to have lasted a lifetime. These friendships have come from fellow students, and they have come from those teachers who have taught beyond their classes by giving of their spirit in order to teach us a lesson in humanity. We knew that at Hersey we could always share our joy and find a shoulder to cry on.***

***With the athletics and clubs, you have molded our pride, and even those of us that have not been involved in these have developed a special pride in***

*eeing fellow students aspire to reach a goal. You ave also taught us to lose graciously and win with onor, and in this process strengthen our moral ortitude.*

*Finally, you have supplied us with an education hat has prepared us for future's triumphs and cala- nities. But this education will go beyond a chosen areer, it will extend to everyday choices that may lter the path we take through life. It will allow us o choose the road filled with success and chal- enge, and not regret the other roads not taken.*

*Although we are filled with apprehension and excitement, we leave the school with no regrets, nstead with external memories and gratitude. Thank you Hersey for dreams and the hope to fulfill hese dreams.*

*Gratefully yours,*
*the Senior Class of 1985*

**Index Designed And Compiled By Nancy Moravick**

*As the 1984-85 school year draws to a close, the staff of the Endeavor at John Hersey High School breathes a welcomed sigh of relief.*

*When looking back to September of 1984 it is hard to believe another exciting year has come to an end. Through the past nine months the Endeavor staff at John Hersey High School has accomplished an incredible feat. The result of all their hard work and determination can be found between the covers of this book.*

*As the busy weeks flew by, the experienced staff successfully completed the most polished yearbook ever published at Hersey. The memories embedded in its pages will be a source of sweet reminiscing for all Hersey students in the years to come.*

*The completion of this book would never have become a reality without the support of some very special people. Many thanks go to Mr. Dennis Eder of the American Yearbook Company and also to Mr. and Mrs. Norb Dompke for Root's fantastic photography service. I would also like to personally thank Jim Esczuk for his original cover design and Ken Goldman for his unending dedication and his superior photography job.*

*Last, but certainly not least, on behalf of the staff, I would like to thank Mr. Michael Kozanecki for his unlimited patience, extreme dedication and constant support, shown throughout the year. Without his guidance the completed 1984-85 Endeavor would never have made it to the presses.*

*To all those involved in the production of this year's Endeavor especially the student body and their willingness to jump in front of a yearbook camera- you have my eternal gratitude.*

*Thank you,*
*Julie Schwab*

## THE WRITING OF A POEM

*Making up poems is easy, I hear,*
*but for me the thought of it, just isn't clear.*
*I start from the beginning,*
*the best place to start.*
*But for me, words come from my foot,*
*not from my heart.*

*I think of a word like: tree, dog, or house,*
*but the word that it rhymes with is: pee, hog, or louse!*
*I get to the middle*
*it takes me so long.*
*But for me, when I get there,*
*it sounds like a song.*
*Now I'm doing all right, it's moving along,*
*but for me when I read it*
*the whole thing sounds wrong.*

*I've arrived at the end! I'm finally there!*
*But for me, this whole thing*
*It sounds like a prayer.*
*Now that I'm finished and I've come to the end,*
*I have good advice to give you, my friend.*
*You should never write poems*
*that's the thing to do.*
*But for me, I've decided that*
*This one will do.*

## THE DREAM

*Through the misty darkness,*

*A shadowy figure stands.*

*Staring but not seeing,*

*Reaching without hands.*

*A light flickers in the distance,*

*It catches the stranger's eye*

*But still he stands motionless*

*Asking a silent, why?*

*Unable to answer his eyes,*

*I quickly turn away*

*His gaze still fixed upon me,*

*No words could I find to say.*

*As the darkness begins to lighten,*

*The stranger's image starts to fade.*

*An unanswered question drifts away*

*No decision will be made.*

## GRANDMA

*She's different now, the sweet little old lady who had blue grey hair is gone. Her hair now lies tangled and snarled. Her incessant nagging about the necessity of vegetable eating can no longer be heard. Instead she lies enclosed in dreary white stucco walls and never speaks a word. Ironically the plant that was an attempt to cheer up her morbid surroundings now lies lifeless, as do all other inhabitants of this dungeon. When I'm with her my eyes search hers for some small sign of the merriment that once filled them, yet all that can be seen is an empty stare. Her face that was always filled with laughter now hangs from her skull with so much lack of movement, it's eerie. Her mind that could once confuse even the most logical of people can no longer accomplish the simple tasks a child's mind can do with ease. Her eighty-six years that could never before have been recognized as such now seem more than apparent. Her life was so meaningful, it seems so unfair for her death to be so meaningless.*

## MEMORIES

*Memories,*
*they can belong to you and you only.*
*They can be shared,*
*but never taken away.*
*Whatever life shows you,*
*good or bad, it all has a purpose.*
*An experience,*
*to either be remembered or learned from.*

*yet,*
*it can still remain a thought of the past*
*or a thought of the future.*
*no matter how you look at it,*
*whether it be through the eyes of love*
*or through the hands of experience.*
*It's still a rememberance of the past,*
*or a moment of the future ---*
*A memory*

## *REALITY*

*Sunset over Flordia's Big Cypress Swamp found Charlie Bradlee exiting his white, cedar bungalow loaded down with fishing rods, an ancient lantern, and crawdad bait that had produced successful results for generations, including the past sixty years of his own life. The tall saw-grass rustled in the warm breeze as Charlie arranged his gear into the small cypress dugout canoe that rested along the bank of the narrow tributary which led into the heart of the swamp. As he had done every Sunday evening for the past forty years, Charlie prepared to pole his dugout into the cathedral-like hush of the Big Cypress.*

*In his youth Charlie often had traveled into the swamp's dome of cypress and Spanish-moss with his father and grandfather, but at age twenty-one, he had to leave the security of the swamp to fight in his country's Second World War. Charlie, now sixty-three, as he had done for the past forty years since the war, served the area within and around Big Cypress Swamp as a carpenter. Not an especially big man, standing at only six feet and weighing 160 pounds, Charlie Bradlee walked with a straight, true gait. He was content with his way of life and loved the changing of the seasons in the swamp. He respected the laws of nature, and when hunting or fishing he wasted nothing of the animal.*

*On this particular evening, Charlie set off for the swamp's interior with hopes of finding a colony of good-sized bass lurking is some watery black hole. As he poled the narrow canoe through the shallow slough into the swamp, Charlie viewed the hundreds of cypress stumps that protruded from the shallow but deceiving dark water and reflected back upon the days of the timbermen and the rapid dissappearance of the great stands of bald cypress.*

*It had been during the forties, just twenty years after the engineers had cut the Tmaiami Trail through the swamp to carry settlers between Florida's two coasts. The downing of the great trees had begun shortly before his departure for the war; when Charlie had returned, the swamp's beauty had been ravaged, and part of him had been destroyed as well. The fifties had brought the decimation of the swamp's alligator population. As a result, the entire food chain had been dangerously altered. To Charlie, when the alligators went, so too did much of the magic legend of the swamp. The exploitation of Charlie's swamp didn't end here. In the sixties the land developer's goal was to drain the swamp and make it marketable. The draining of the swamp would be the draining of a huge pool of life and beauty, and Charlie, along with his good friends Jason Lightfoot and Will Parker, took part in a number of late night sabotage missions on the machinery and equipment of the advancing businessmen. Finally in 1970, the White House stepped in and saved the swamp, or at least what was left of it.*

*It had taken Charlie thirty minutes to return to the brackish pool he had discovered last weekend. Charlie stopped the dugout in the middle of open water and prepared to cast his lines. He tied his hooks, baited them with the crawdads, and cast both lines about ten yards apart from each other into a deep, dark hole. Only moments had passed when one of the lines snapped taut. A black bass the size of Charlie's frying pan wriggled for a moment near the surface, tried to spit out the hook and then took it deep into the shadowy bottom. Charlie, in one fluid motion, whipped the cane pole back, setting the hook deep into the fish's lip. He yanked the surprised bass up and out of the water and grabbed it beneath the gills. The hook, liberated from the mouth of the bass, was returned to the obsidian-black waters to repeat the cycle. He continued this for about an hour until he had three shining, black bass laid side-by-side in the bottom of the dugout.*

*With his evening's task completed, Charlie decided to take a different tributary back home. As he poled the dugout toward a break in the foilage, the lonely and distant cry of a blue heron pierced the mist which was beginning to rise from the water's surface. As Charlie made his way through the primitive silence with only the sounds of young bullfrogs announcing the coming of nightfall, he caught a partial glimpse of an object bobbing on the water ahead. With a few strokes of the pole, he was floating among a scattering of empty beer cans; glinting aluminum in contrast to the dull gray, peeling bark of the cypress stand. Charlie struck a glancing, hollow blow at the nearest can, but it only bobbed away.*

*However, what he next saw floating among the cans quickly changed his feelings of anger to feelings of deep anxiety and loneliness. Floating belly-up among the litter was a once large and mighty bull alligator. Its underbelly had been brutally slashed open, and upon turning the great gator over, Charlie saw the criss-cross slash marks across the once powerful textured back of the great creature. The open eyes of the alligator seemed to reflect the history of pain and torture of the swamp and her children. Charlie Bradlee looked into those eyes, his heart wept, and the saw-grass whispered.*

### NEVER WILL BE THE SAME

*Every year my family has Thanksgiving with friends because all our relatives live in Germany. This year was different though not because we didn't have friends over, but because my sister, Petra, wasn't there as the result of her death. I guess I never realized how much I took her for granted until she was gone. Most people probably don't understand this unless it has happened to them. This year I'm really thankful for my friends, who helped me out during this hard time. But most of all I'm thankful for my family because now I know how much I love them. I don't think that Thanksgiving will ever be the same again, but I'm glad I got to spend 13 of them with Petra.*

### Death of a Dog

In an open field, cool breezes blow;
My pet and I sit silently.
The sun sets; her eyes look sad;
She is content in sorrow.

Lamenting heart and mournful eyes,
She lives, while I meditate:
"Why are there pain and suffering, God?
Malice, and not right?"

But the swaying grass and sighing wind
Give no answer.
And as the night continues and the world sleeps,
A lonely dog breathes her last.

## SHE

She
is like the hand of ice
that creeps across the land
in the heart of winter
She
destroys friendships
breaks hearts
with her false accusations
Once
I wish she could see or be
in the place of the ones
that were stabbed by her ruthlessness
I can only pray
that, in time
she will learn better
Before
it is too late.

## LOOK AT THE STARS

Look at the stars
and reach out
to touch them,
for they hold our dreams,
yet beyond them
is nothing but emptiness.
Look at the sky
enter it
and explore,
it holds our future
and gives us no limitations
but our dreams.
Look at the world,
observe it
and learn
it holds our lives
but gives us
the freedom to live.

*Not money happy*
*Not popular happy*
*Not happy because I answer every question right*
*on the hardest test in the world*
*Just a peaceful happy*
*A happiness that comes from the gut*
*A happiness of knowing*
*Who I am*
*A happiness to share with everyone*
*So that they may be happy too.*

*MATTHEW*

*Violent, angry flames blaze*
*Inside Matthew's four year*

## *TEARS FALLING*

*Tears falling . . .*

*Roses are dead*

*The grey sky promises rain*

*Trees and plants cease to live*

*falling . . .*

*Bombs exploding in the empty silence*

*A lone child seeking comfort*

*In the alley of an abandoned town.*

*falling . . .*

*The drone of the airplanes overhead*

*The cries of the dying.*

*The fear of the unknown*

*falling . . .*

*One more bomb*

*Dropped from above by dehumanized robots.*

*More screams of the wounded.*

*More hatred in the hearts of those still alive.*

*falling . . .*

*Silence above.*

*The barren earth below.*

*The explosion of the bombs, no longer heard.*

*Still, the tears fall.*

## *CLOUDY SKY*

*Soft, white puffs floating across a*
*vast expanse of blue;*
*Fluffy forms in a magical hue.*
*Graceful figures traveling through a*
*sunlit sky;*
*With enchanting moves inviting to*
*the eye.*

*Along comes the dark, menacing cloud.*
*Larger than the others, it seems*
*almost proud.*
*Burdened with raindrops, ready to*
*fall,*
*Its power is mighty, stronger than all.*

*When others join and add to its*
*power;*
*That sinister cloud keeps the grace*
*of a flower.*
*Yet it is known — the storm is near.*
*The ominous calm gives something*
*to fear.*

*Suddenly the rain begins to pour;*
*Wetting nature's grassy floor.*
*It comes down in torrents great.*
*To drench the Earth, was its fate.*

*As abruptly as it came, abates*
*the storm.*
*Once again, the clouds take on a*
*different form.*
*Back come those of swelling foam;*
*Each one shaped like a billowing*
*dome.*

*Dancing playfully through the day;*
*Staying not but fading away;*
*Moving on to life's next phase;*
*Drifint on for many days.*
